CARE FOR CREATION: Another chance to reflect on some of the themes of Pope Francis' encyclical on Creation, *Laudato Si*. It is not nec-

essary to have read this beforehand as study materials will be provided. Two opportunities are available: **Thursday 12th November** at 2.00pm or 7.00pm, OLI Hall. All welcome. Tea and coffee provided after the meetings.

TAKING POSITIVE ACTION - LAUDATO SI': In his recent encyclical *Laudato Si'* [LS] Pope Francis points to his name sake's canticle, wherein, our world is compared to a sister with whom we share our life (LS paras 1,10). Pope Francis notes how 'this sister now cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods God has endowed her with' challenge to us to protect our common home includes a 'concern to bring the whole human family together to seek a sustainable and integral development' (LS para 13). In response, one effective action we can take is to support 'Certified Sustainable Palm Oil' [CSPO]. Palm oil is used in thousands of household products so increased international demand is responsible for mass deforestation in tropical countries, contributing to global warming and the extinction of animals such as the Bornean orangutan and pygmy elephant. The 1994 Roundtable on Sustainable Palm Oil devised 8 criteria against which oil palm plantations are certified. One easy way to show your support for CSPO is by signing an online petition. You can do this by clicking on one, or both of the following web-links: <http://greenpalm.org/resources/sign-our-petition> or <https://brightfuture.unilever.co.uk/petitions/429730/take-climate->
