SAFEGUARDING REPRESENTATIVE NEEDED: Providing a safe environment within all our parish activities for children, vulnerable adults and those who work with them is essential. All parishes are required to have a Safeguarding Representative to ensure that

the Parish complies with the Churches National Policies and Procedures established to ensure the safety of all in our Community. Pam Molen has held this position for some time but she has now stood down. We are immensely grateful to her for all her hard work. We are now actively seeking a new volunteer to take on this important role. The Parish Safeguarding Representative acts as a link with the Diocesan Safeguarding Officer, will have oversight of activities involving children and vulnerable adults, will ensure the application of the Safe Recruitment Policy, provide guidance, and facilitate training of all in ministries with vulnerable groups. Previous knowledge of this subject is not essential as training and support will be provided by the Diocesan Safeguarding Team. For further details, including a role description, or to apply, please contact the Parish Office. This appointment will be subject to suitable references and an interview.
