DAY FOR LIFE: Today. This is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. This year the Day for Life will focus on all those who are suffering or have survived domestic abuse. It is often a hidden problem, and the aim is for anyone experiencing domestic abuse to feel able to have confidence to seek help within the Church setting. Please take a leaflet from the back of church or visit www.dayforlife.org
